VERSE 2:

You are far
 I'm never gonna be your star
 I'll pick up the pieces and mend my heart
 Maybe I'll be strong enough
 I don't know where to start
 But I'll never find peace of mind
 While I listen to my heart.
 People you can never change the way they feel
 Better let them do just what they will
 For they will
 If you let them steal your heart.
 People
 Will always make a lover feel a fool
 But you knew I loved you
 We could have shown you all la la la la la la.

VERSE 3:

You are far
 When I could have been your star
 You listened to people
 Who scared you to death and from my heart
 Strange that I was wrong enough
 To think you'd love me too
 Guess you were kissing a fool
 You must have been kissing a fool.
