

The background of the cover is a classical oil painting of a panoramic view of Munich, Germany. The scene is viewed from an elevated position, looking down onto a wide, light-colored path or bridge that stretches from the foreground towards the city. The path is flanked by lush green trees and lawns. In the distance, the city of Munich is visible, with its characteristic red-tiled roofs and various church spires. Notable landmarks include the twin towers of the Frauenkirche on the left and the blue domes of the Frauenkirche on the right. The sky is filled with soft, golden light, suggesting a sunrise or sunset, which casts a warm glow over the entire scene.
