So here you are, two steps ahead and staying on guard
 Every lesson forms a new scar
 They never thought you'd make it this far
 But turn around, they've surrounded you
 It's a showdown, and nobody comes to save you now
 But you've got something they don't
 Yeah you've got something they don't
 You've just gotta keep your eyes open

Everybody's waiting for you to breakdown
 Everybody's watching to see the fallout
 Even when you're sleeping, sleeping
 Keep your eyes open
 Keep your eyes open
 Keep your eyes open
